If you have not been a resident of Pennsylvania at all times for at least the last two years or if you live outside Pennsylvania, we are also required to obtain a criminal history record check from the FBI as well as a full set of fingerprints in addition to the State Police Check. PANAT will provide the necessary forms to initiate the criminal records check. If you do not cooperate with the criminal history records checks process, you will not be allowed to enroll.

As part of its enrollment application procedures, PANAT requires you to provide a list of criminal convictions. Convictions not included under the prohibitive conviction of the Older Adults Protective Services Act will be considered based on factors that relate to your suitability for employment after graduation including the type and severity of the crime and when the conviction occurred.
